

NOTICE TO ALL EMPLOYEES – TOBACCO-FREE SCHOOLS

The federal, and state governments have adopted various anti-tobacco laws that require schools to have adopted and fully implemented tobacco-free environmental policies.

As required by these laws, the Los Angeles Unified School District hereby notifies its employees as follows:

1. Smoking and the use of all tobacco products shall be prohibited on all District property, including District owned, leased, or contracted for [NCLB Act Section 4303] buildings and in District vehicles at all times by all persons, including employees, students, and visitors at any school or District site or attending any school-sponsored events. In accordance with California Assembly Bill 816 (1994), and the Federal Goals law, the District implemented the Tobacco-Free Workplace policy on January 1, 1995.
2. Violation of paragraph one by any employee will result in appropriate administrative or disciplinary action including, but not limited to, a counseling interview, verbal warning, written reprimand, suspension, or termination.

For further information on the District's tobacco-free workplace policy, see Bulletin 3630, Office of the Chief Operating Officer.
