† Note: This chart is primarily for information that feeds into the SIS systems. Applications which pull data back from the SIS systems (e.g., Welligent) may be on a separate interface schedule.

†† There is a lag for data to appear in SIS. Monday data has a cut-off of the previous Thursday; Wednesday data has a cut-off of the previous Monday.

* For information on Connect-ED interfaces, go to the [Connect-ED](#) website. See Connect-ED/Connect-ED Teacher Interface Schedule on the Connect-ED > [Training](#) tab.

** For more information on DSS/My Data, see the MyData website (<https://mydata.lausd.net>). A more detailed schedule of the interfaces can be found at [How often is data uploaded? Click here for a schedule.](#)
